This area has changed due to the major changes our plans have gone through beginning in 2010. Don't fret, the good old Vacation Withdraw Form is right below for you to download and print.

So about the changes... You might have noticed the several forms that were available here are now missing. They are obsolete now, save the Vacation Form below. There is now a pile of newer forms that are available for you to download and print. So many so that instead of listing them all here you are advised to visit this URL ::

<http://www.ctww.org>

This is the new Carpenters Trusts of Western Washington site. Fortunately one doesn't need to do a lot of navigating to find forms. There is a menu on the left of the page with categories, in each category there is a link for Forms. From there you should find what you need. You are encouraged to get familiar with this site as there is a wealth of information on your trusts therein.

The Vacation Form below and all the others at ctww.org are in Adobe Acrobat .pdf format. If you do not have Adobe Acrobat Reader installed on your computer you can obtain it for free by selecting the image below::

After opening any documents in your Adobe Acrobat Reader simply select the Print option under the File tab within the program to print the document. You may also select the Save or Save As option under the File tab to save the document to a place on your hard drive if you wish.
