Hello, Contractors and welcome to our site!

We would like to educate all contractors in Montana and elsewhere on the benefits of being a Union Contractor along with hiring, and using Union Carpenters.

If you are a Contractor wishing to learn more, be sure to check out the highlights on being signatory below. We have also compiled a list of "Frequently Asked Questions" that you will find interesting and helpful. If you want to give your customer the best possible product, then having the best hands to build it for them is the only way to go!
