Last Updated Sunday, 18 July 2010

Hopefully everyone is having a great New Year despite the usual work, and economy blows.

As everyone is aware of there have been some changes for 2010 in regards to our Health & Welfare plan as well as some other plan changes. i.e. Prescriptions and all.

The local would like to make all members aware of the Carpenters Trusts of Western Washington web site which has a lot of information on these changes. The URL is ::

-
<http://www.ctww.org>

This is the site of Carpenters Trusts of Western Washington. Please be sure to get yourself familiar with this site. There is a wealth of information concerning our new plans therein.

Your local has added a link in the menu to the left of your website titled Contact The Trusts. There you will find any contact info you might be seeking. The Download Forms link on the left of your website has been revamped as well due primarily to the fact that most of the Forms that were there are now obsolete. The good old Vacation Form is unchanged and available for you to download from your site still. You are encouraged to browse the forms on <http://www.ctww.org>. Navigation is easy on the CTWW site, category menu on the left and a Forms link in each category. The Carpenters Trusts of Western Washington URL is now a permanent link on your site as well under the Links item to your left -- [Links/Carpentry Links/ctww.org](#)

If we've missed something let us know! This is after all your website...
